### **Annual Alzheimer's Walk DC**

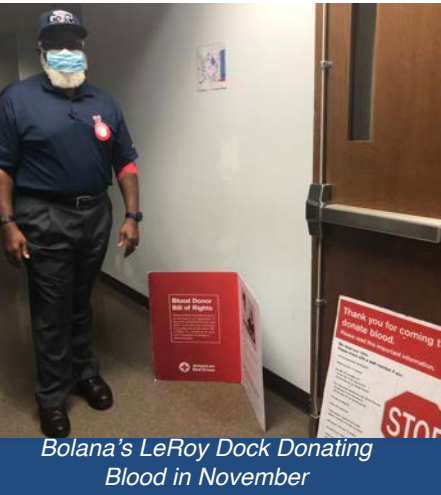

Team Bolana participates annually in the Walk to End Alzheimer's, the world's largest fundraiser for Alzheimer's care, support and research. Ernestine's Steppers team walked on October 10th at Watkins Park in Upper Marlboro due to COVID restrictions but had a wonderful time connecting and enjoying the day while supporting a great cause. The team raised approximately \$9,000 with Bolana sponsoring each Bolana Team Member who participated.

*Team Bolana is proud to be of service, "shining a little light in dark places."*

"I wanted to take this opportunity to say a tremendous 'THANK YOU' to everyone that supported Park Up. This was truly a collective effort from facilities, contractors, event managers, leadership and everyone in between. We were able to accomplish something huge in a time where hosting events seemed impossible. For 16 weeks, the impossible was made possible by your tireless hard work dedication and team work. I appreciate everyone's effort and support, whether you were boots on the ground, a manager or kept me in your thoughts, THANK YOU!!!! An immense thank you to the event managers from the Entertainment and Sports Arena, Convention and Meetings and their leadership. Contractors, please share this thank you with your team as they were truly ALL STARS on this event!

I wanted to inform you of an act of kindness that Norma accomplished here at Trinity Terrace. P.G. County Dept of Aging has been providing the Seniors with weekly frozen box meals during this pandemic. Trinity Terrace was notified that the meals would be delivered on Thursday, 12/31/20. Unfortunately, the meals arrived Wednesday, 12/30/20. The office was closed and no staff was available. Norma instructed the driver to leave the pallet of box meals and she single handedly delivered 50 box meals to the residents. She didn't know who gets a box, so she knocked on all 71 unit doors and whomever was home received a box meal for the week. Without her taking the initiative those boxes would have defrosted and gone to waste. I wanted to acknowledge her and notify her employer that she went above and beyond the call of duty and we appreciate that on behalf of Trinity Terrace residents THANK YOU.
